

## 3235070 PLUTO BENK 2X4W LED HVIT

|                                   |                                |
|-----------------------------------|--------------------------------|
| Luminaire Type                    | Surface-mounted                |
| Power                             | 2*4W                           |
| Mains Voltage / Working Frequency | 220-240VAC/50-60Hz             |
| Power factor (PF)                 | ≥0.9                           |
| Light Source Details              | Cree COB LED                   |
| Luminous Flux                     | 2*250lm                        |
| Light Efficiency                  | 63lm/W                         |
| Colour Rendering Index (CRI)      | ≥ 93                           |
| Colour Temperature (CCT)          | 2700K                          |
| Lamp Useful Life                  | 40 000 hours                   |
| Lamp Included                     | Yes                            |
| Beam Angle                        | 40°                            |
| Ballast/Driver                    | Built-in Osram dimmable driver |
| Dimmable                          | Yes (0-100%)                   |
| Housing                           | Material: stainless steel      |
| Radiator                          | Material: die-cast aluminium   |
| Reflector/ Optical Cover          | Material: PMMA                 |
| Finishing Colour                  | Matt white/Brushed Nickel      |
| Degree of Protection (IP Index)   | IP44                           |
| Operating Temperature Range       | -20°C to 40°C                  |
| Connection                        | Smart and push-in connector    |
| Orientation                       | Fixed                          |
| Product Dimensions                | 75*553mm                       |
| Package Content                   | 1 downlight (driver included)  |
| Energy Class                      | A                              |
| Electrical protection class       | II                             |
| Certifications                    | CE, RoHS                       |
| Manufacturer's Warranty           | 5 years                        |
